SUMMARY

I am a passionate front-end developer skilled in React.js and Next.js. After completing a rigorous internship at ITI, I delivered projects that improved user engagement and optimized performance. I aim to contribute to innovative teams and advance my expertise in modern web technologies.

KEY ACHIEVEMENTS

Enhanced Load Speed

Increased web page load speed by 30% using optimized React.js components.

Reduced Bug Rates

Reduced bug occurrence by 20% by implementing effective debugging techniques.

Boosted User Engagement

Improved user engagement by 25% through intuitive UI designs.

Top Internship Score

Completed internship with a top score in front-end development assessments.

EXPERIENCE

Freelancer

📅 09/2023 - current 📍 online team

Freelancer – Front-End Developer (09/2024 - Current) - Collaborated with online team to design and deploy scalable React.js applications.

Internship

Information Technology Institute (ITI)

📅 05/2024 - 09/2024 📍 Banha, Egypt

A prestigious institute focused on IT training and skills development.
•Participated in the Front End and Cross Platform Mobile Application Track.

EDUCATION

Bachelor’s Degree in Specific Education – Technology Department
[KFS University, Egypt \(2016 - 2019\)](#)

STRENGTHS

Critical Thinking

Critical thinking skills applied to design and functionality.

Teamwork and Leadership

Ability to work effectively in a team and lead projects.

LANGUAGES

English : fluent ●●●●●

Arabic: native ●●●●●

SKILLS

Html5 | CSS3 | SCSS | JavaScript | TypeScript | ES6 | Tailwind CSS | Bootstrap |

Reactjs | React Router | React Query | react redux | Redux toolkit | NextJS

Agile Methodology | SOLID Principles | Data structure | NodeJs | OOP | Design

Patterns | Git | GitHub

TRAINING / COURSES

FWD (Web Development Foundations)

Fundamentals of web development covering essential concepts and technologies.

Smart Code Academy (Front End)

A comprehensive front-end development program at Smart Code Academy.

PROJECTS

Various Web Development Projects

📅 01/2020 - 12/2020

Projects demonstrating proficiency in React.js , Next.js and JavaScript.

- Booking System for Hotels using Next.js (Graduation Project).
- E-commerce Platform (Fresh Cart) using React.js.
- Product Builder using React and TypeScript.
- EgyTest Film Finder using React and TypeScript.
- Animal Adoption Platform using React.js.
- CRUD Operations Fullstack using Next.js and Firestore.
- Media Player built with JavaScript.
- Responsive Website Design using Bootstrap.
